EDUCATION

Attended • Cooper Union • New York, NY • 1969 – 1971 (Did not graduate—too busy pursuing other interests)
Attended • Courant Institute of Mathematical Sciences, NYU • New York, NY • 1971 – 1972 (Also did not graduate—apparently higher education wasn't the priority)
High School Diploma • Lafayette High School • Brooklyn, NY • 1966

Note: Formal education clearly wasn't necessary for building a network of powerful friends and accumulating significant wealth. Sometimes, ambition and questionable ethics are all you need!
